ERDF.05.0121 Tender 025

Tender for the Manufacture, Supply, Delivery and Installation of an overhead crane and supporting structure, including integrated door as part of ERDF Project ERDF.05.121 – Wildlife Rehabilitation Centre

Dear Sir/Madam,

Thank you for showing interest this procurement procedure. However, NatureTrust Malta regrets to inform you that the procurement procedure has been cancelled with immediate effect in line with Article 18.1 of the General Rules Governing Tenders for NGOs v1.1 which states that

“The Non Governmental Organisation (NGO) reserves the right to accept or reject any tender and/or to cancel the whole tender procedure before and after the closing established for the submission of the tenders and/or reject all tenders. The Non Governmental Organisation (NGO) reserves the right to initiate a new invitation to tender.”

Cancellation is occurring in view of the fact that:

(b) the technical parameters of the project have been fundamentally altered;

As per said General Rules, “In no circumstances will the Non Governmental Organisation (NGO) be liable for damages, whatever their nature (in particular damages for loss of profits) or relationship to the cancellation of a tender, even if the Non Governmental Organisation (NGO) has been advised of the possibility of damages.”

A new Procurement Procedure will be launched soon.

Yours sincerely,

Vincent Attard  
Project Leader  
President and Chief Executive – Nature Trust Malta
